To the brother Head of Political Security, may Allah protect him,
Greeting of the nation,

Subject: Private information regarding the issue of *shahida* [female martyr] Wafa Idris

At the night in which it was revealed that the person, who carried out the attack was *shahida* [female martyr] Wafa Idris - and before anyone claimed responsibility for the attack - Tawfik al-Tirawi, head of the General Intelligence, called Khalil Idris, the elder brother of the *shahida* [female martyr], several times and requested that the family would not announce that Wafa was the one who carried out the attack, but that she got married and moved to Jordan or to any other place. In return, al-Tirawi was willing to facilitate Khalil's visit to Jordan despite the fact that he is on the Israeli wanted list. Khalil answered that he could not sell the blood of his sister in this way.

The family indicated that during her last day, Wafa did not show any signs that she was not coming back. She said that she was traveling to Nablus and might be late.
